Movies for a More Mature Audience **(Powerful movies, but a little coarse)**

I would recommend these movies to older teens who can handle violence and language. The reason I recommend them at all is because they offer a view and insight into very real worlds outside of a typical teenagers experience. No

Gran Torino
Goodwill Hunting
Gladiator
Unforgiven
The Shawshank Redemption
The Matrix (The first one)
A Beautiful Mind
Groundhog Day
Taken (1&2)
